**Wireless Vending**

Mar, 09 2007 - 8:30 PM

THE NEXT STEP TOWARD A CASH-LESS SOCIETY HAS BEEN TAKEN AT A KINGSTON HOTEL... AND IT'S A BOLD ONE.

THIS MACHINE ELIMINATES THE NEED FOR A POCKET-FULL OF CHANGE... BY ALLOWING HOTEL GUESTS TO CHARGE A SOFT DRINK TO THEIR ROOM- BY SWIPING A CARD OR MAKING A CELL-PHONE CALL.

THE AMBASSADOR HOTEL WANTED TO SEE IF HAVING NO CASH INSIDE THE MACHINES WOULD REDUCE VANDALISM, AND INCREASE VENDING MACHINE REVENUES.

SO FAR, THE HOTEL SAYS IT'S BEEN A SUCCESS ON BOTH FRONTS- VANDALISM HAS BEEN COMPLETELY ELIMINATED... AND SALES HAVE ALMOST DOUBLED.
